Sign-in help

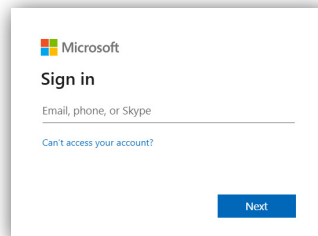

If your child attends the CPE during the year, access has been created for the email address(es) you provided in eKidWeb.

Go to the site:

<https://eceuropaeu.sharepoint.com/teams/GRP-CPE-MA/>

Enter your email address and click on "Next":

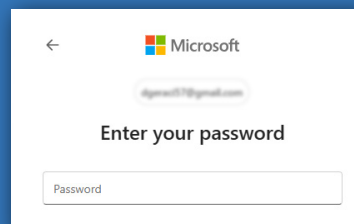

You are using an institutional email address:

- You will be redirected to your institution's login screen (EU Login or another system).
- If you are accessing the site from a private computer, you may be asked for an additional security check (e.g. a 14-character Windows password for the European Commission).

Therefore, logging in may be easier from your work computer.

You are using a private email address (e.g. gmail.com):

- You will be asked to enter the password for the Microsoft account associated with this email address:

If you do not have a Microsoft account, you can easily create one using your existing email address here: <https://signup.live.com/>

If you experience any difficulties, please email OIL-CPE-MA@ec.europa.eu
